Sir:

On February 12, 2002, Applicants filed the above-identified National Stage Application (claiming priority to Korean Application No. 2001-7263), paying a total filing fee of \$410.00, including a \$370.00 filing fee, and an Assignment recordation fee of \$40.00. These fees were based on those applicable to a small-entity (37 C.F.R. § 1.27).

At the time of filing this application, the undersigned attorney believed that the Assignee was entitled to claim Small Entity Status. Since February 12, 2002, however, the

undersigned attorney has received confirmation from the Assignee that it has in excess of 500 employees, and is thus not qualified for small entity status.

Submitted concurrently with this Letter, therefore, is a check for the balance of the filing fee in the amount of \$370.00, bringing the total fees paid to that of a large entity, namely \$780.00 inclusive of the \$40.00 Assignment recordation fee, which is unaffected. Should this check be inadvertently missing, however, or any additional fees are required, please charge such fees to our Deposit Account No. 22-0261, and notify the undersigned accordingly.

Respectfully submitted,

Richard D. Schmidt
